

**WALKING FIELD TRIP PERMISSION**

At various times during the school year, teachers find it educationally beneficial to take a class on a short walking trip in the school area in order to provide enrichment experiences relevant to curriculum studies. Teachers will always conduct and supervise such trips.

In lieu of requesting written permission each time, we ask that you sign one permission form, per child, per school year. This will permit shorter planning periods prior to each walking field trip. You will be notified of any other field trips that require transportation and will be required to sign a separate permission form.

Please sign and bring the form to school.

I, \_\_\_\_\_, hereby give permission for my child (full name),  
\_\_\_\_\_, to accompany his/her teacher and classmates on walking field trips in the neighborhood or to the nearby playground during the school year.

The school has my permission, in an emergency when I (or my physician) cannot be contacted, to take my child to the emergency room at the nearest hospital. The hospital and its medical staff have my authorization to provide treatment that a physician deems necessary for the well being of my child. I understand and agree that I will be responsible for the emergency medical charges.

I agree to waive all claims against GSEB, German School of the East Bay, and hold the school, its officers and employees harmless from any and all liability or claims which may arise out of or in connection with my child's participation in this activity.
